4. PROGRAM WORK PLAN.

4.1. Program Work Plan.

Program Objective (SMART): By December 31, 2027, enroll at least 400 unique Lake County children ages 5–12 in free Hammond youth sports and wellness clinics operated by NWISC, with at least 75% attending 8 or more sessions and at least 70% of youth with completed pre/post responses reporting increased physical activity toward 60 minutes on program days and improved correct answers on brief healthy-lifestyle and safe-play questions. This objective is Specific (Hammond/Lake County children ages 5–12; free clinics), Measurable (400 unique youth; 75% attendance threshold; 70% activity/knowledge measure), Achievable (built on a 15-year clinic model that has already served more than 7,000 children), Relevant to Chronic Disease Prevention and Trauma and Injury Prevention, and Time-bound (grant year ending December 31, 2027).

4.1.1. Program Goal(s). Complete one block per goal. Every activity must name a responsible party, a start and end date, the output it produces, how the data will be collected, and the KPI it supports. Activities that cannot be tied to a data collection method and a KPI will be returned for revision. Add goal blocks and activity rows as needed.

4.2. Scalability. Scalability. Grantee will expand or restrict the Program Work Plan to further efforts that will result in fulfilling the Purpose and Scope of the Program before modifying Performance.

5. PERFORMANCE: KPIs, METRICS, AND REPORTING.

5.1. Key Performance Indicators ("KPIs") and Scope. The Program will provide services that specifically address the KPIs from the Core Public Health Services outlined in the Health First Indiana initiative: (*entered here and below*)

5.1.1. Trauma and Injury Prevention. Preventing and reducing trauma caused by sports injury

5.1.2. Chronic Disease Prevention. Preventing and reducing cardiovascular disease chronic diseases.

5.2. Metrics and Reporting.

5.2.1. Definitions.

5.2.1.1. Deliverable: the quantifiable services to be provided at various steps in the Program to keep it on course. The deliverable provides a metric whose value can be tracked for state-level reporting.

5.2.1.2. Metric: a standard for measuring the value of the deliverable.

5.2.1.3. Value: the number or percentage of the metric that is being measured.

5.2.2. List of Metrics. [EXAMPLES]

5.2.2.1. Number of people receiving Stop the Bleed training.

5.2.2.2. Number of people receiving CPR training.

5.2.2.3. Number of people educated and/or trained on vehicle passenger safety and seat belt use.

5.2.2.4. Value: the number or percentage of the metric that is being measured.

5.2.2.5. Encounter (duplicated count): a single instance of a service provided. One person receiving three services, or returning three times, generates three encounters. Encounter counts measure the intensity of services delivered.

5.2.2.6. Unique Individual Served (unduplicated count): a person counted only once per reporting period, regardless of how many services they receive or how many times they participate. Unique counts measure the reach

of the Program; how many distinct residents were touched by HFI funds. Both encounter counts and unique counts are required in all reports.

5.2.2.7. Target: the numeric value the Grantee commits to achieving for each deliverable by the end of the grant term, as set in this application.

5.2.2.8. Variance: the difference between the prorated target and the actual value for a reporting period, expressed as a percentage of target.

5.2.2.9. Outcome Measure: a measure of change resulting from the Program (knowledge, behavior, clinical status, or referral completion), as distinct from an output, which counts activity delivered.

5.3. Monthly Data Report: Due by the 10th calendar day of the following month, submitted directly to Denice Trulley at trulldj@lakecountyin.org. The Monthly Data Report consists of a Narrative Report, Tables A, B, and C below.

5.3.1. Monthly Narrative Report: The narrative must: (1) explain any metric below 75% of its prorated target and the corrective plan; (2) describe barriers encountered and successes achieved; (3) note any data quality issues; and (4) optionally include brief participant story (de-identified).

5.3.2. CREATING A REPORT WITH METRICS: Based on the Core Service(s)/KPIs selected in Section 5.1, review Appendix A and add every metric that applies. If you have a deliverable and corresponding metric not listed in Appendix A, add your own, if it aligns with the scope of the KPI. Targets are set in this application and carried forward into each report. Add as many rows as necessary.

5.4. Reporting. [1]

5.4.1. Reporting Frequency: Reports will be sent monthly to the LCHD.

5.4.2. Reporting Format:

7.1.2. To adequately satisfy the roles of this Agreement, Grantee shall have the required appropriate level of education and experience, as required by each specific area where Services are provided.

7.1.3. Grantee understands the LCHD utilizes an electronic records system; and further agrees and acknowledges that all records shall be the sole and proprietary property of the LCHD and shall in no way be construed as the property of the Grantee or any of its staff or employees.

7.1.4. The grantee shall provide adequate workspace, equipment, computers, electronic records systems, and supplies required to deliver the contracted services. Additionally, the Grantee shall provide sufficient security and other staff needed to accomplish required and contracted responsibilities. LCHD shall also provide other support resources that may be required as mutually agreed.

7.2. Responsibilities.

7.2.1. Grantee will review and recommend to LCHD in the development of policies, procedures, protocols, guidelines, quality assurance and improvement processes and reports, health care services and resource utilization processes and reports as needed to ensure effective and efficient delivery of Services.

In any case, LCHD acknowledges that Grantee's indemnification obligation may be limited in substance by laws designed to protect and limit the exposure and liability of Grantee as an instrumentality of the State of Indiana (e.g., actions and conditions as to which Grantee is immunized by the Indiana Tort Claims Act, dollar limits stated in such Act, exemption from punitive damages, and the continued ability to defeat a claim by reason of contributory negligence for fault of the claimant), so that Grantee's liability to indemnify, protect, and/or hold harmless may not exceed what might have been its liability to claimant if sued directly by claimant in Indiana, and all appropriate defenses had been raised by Grantee.

7.3.2. Acting in Individual Capacity. Both parties hereto, in the performance of the Agreement, will act in their individual capacities and not as agents, employees, partners, joint ventures, or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

7.3.3. Ownership. The ownership and right of control of all reports, records, and supporting documents prepared by Grantee pursuant to the Services provided under this Agreement ("Records") shall vest in LCHD and Grantee, and Grantee shall comply with all state, federal, and HIPAA laws and regulations concerning or related to the collection, recording, storage, and release of any and all health care records and/or information.

10.1. As a condition of eligibility for participation in any programs, services, or benefits funded or provided under this Contract, all recipients must be residents of the State of Indiana. The Contractor shall implement and maintain procedures reasonably designed to verify the Indiana residency of each individual recipient prior to the provision of services. Acceptable documentation or methods of verification shall be determined in accordance with applicable state or program-specific guidelines. Failure to comply with this residency requirement may result in disallowance of expenditures, corrective action, or termination of this Contract.

11. DISPUTE RESOLUTION

11.1. Should any disputes arise regarding this Contract, the Grantee and the LCHD agree to act immediately to resolve them. Time is of the essence in dispute resolution.

If the parties accept the Commissioner's decision, it may be memorialized as a written Amendment to this Contract if appropriate.

11.4. LCHD may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the LCHD to the Grantee of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for the Grantee to terminate this Contract, and the Grantee may bring suit to collect these amounts without following the disputes procedure contained herein.

11.5. With the written approval of the Commissioner of the Indiana Department of Administration, the parties may agree to forego the process described in subdivision C. relating to the submission of the dispute to the Commissioner.

11.6. This paragraph shall not be construed to abrogate provisions of IC § 4-6-2-11 in situations where dispute resolution efforts compromise claims in favor of the LCHD as described in that statute.

12. INSURANCE AND INDEMNIFICATION

12.1. Insurance. Throughout the term of this Agreement, Grantee and LCHD shall each maintain appropriate commercial and other liability coverage consistent with the limits required thereunder.

12.2. Indemnification. Grantee shall indemnify, defend, and hold harmless LCHD and its agents, Board members, officers, and employees from and against all claims, losses, costs, damages, and expenses (including reasonable attorneys' fees) relating to injury or death of any person which results from or arises in connection with (1) any breach of the Agreement; or (2) any gross negligence or willful act or omission by any Consultant in performing the Services. LCHD shall indemnify, defend, and hold harmless Grantee and its agents, managers, members, officers, and employees from and against all claims, losses, costs, damages, and expenses (including reasonable attorneys' fees) which result from or arises in connection with (1) any breach of the Agreement by Client; or (2) any negligent or willful act or omission by LCHD's personnel. This Section shall survive the termination or expiration of this Agreement. In any case, LCHD acknowledges that Grantee's indemnification obligation may be limited in substance by laws designed to protect and limit the exposure and liability of Grantee as an instrumentality of the State of Indiana (e.g., actions and conditions as to which Grantee is immunized by the Indiana Tort Claims Act, dollar limits stated in such Act, exemption from punitive damages, and the continued ability to defeat a claim by reason of contributory negligence for fault of the claimant), so that Grantee's liability to indemnify, protect, and/or hold harmless may

not exceed what might have been its liability to claimant if sued directly by claimant in Indiana, and all appropriate defenses had been raised by Grantee.

12.3. Representations and Warranties. The parties represent and warrant to one another that they have full corporate power and authority to enter into this Agreement and to carry out their obligations hereunder, and this Agreement has been duly authorized by all necessary action on their part. THE FOREGOING WARRANTIES AND OTHERS PROVIDED IN THIS AGREEMENT BY EACH PARTY ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THIS AGREEMENT.

12.4. Limitation of Liability. TO THE EXTENT ALLOWED BY APPLICABLE LAW, IN NO EVENT SHALL THE LIABILITY OF EITHER PARTY TO THE OTHER FOR A GIVEN YEAR DURING THE TERM OF THIS AGREEMENT ON ALL CLAIMS OF ANY KIND, WHETHER IN CONTRACT, WARRANTY, INDEMNITY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR OTHERWISE, ARISING OUT OF THE PERFORMANCE, NON-PERFORMANCE OR BREACH OF THIS AGREEMENT EXCEED THE TOTAL COMPENSATION RECEIVED OR PAID, AS APPLICABLE, FOR SUCH YEAR. FURTHERMORE, TO THE EXTENT ALLOWED BY APPLICABLE AND EXCEPT FOR THIRD-PARTY CLAIMS, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, PUNITIVE, CONSEQUENTIAL, OR SIMILAR DAMAGES.

13. COMPLIANCE AND LEGAL REQUIREMENTS

If within thirty (30) days of either party first providing notice to the other of the need to amend the Agreement to comply with Laws, the parties, acting in good faith, are (i) unable to mutually agree upon and make amendments or alterations to this Agreement to meet the requirements in question, or (ii) alternatively, the parties determine in good faith that amendments or alterations to meet the requirements are not feasible, then either party may terminate this Agreement upon thirty (30) days prior written notice.

13.2. Records. LCHD shall keep and maintain any records relating to the services of this Agreement rendered hereunder as may be required by any federal, state, or local law. Grantee agrees to make its records concerning any of LCHD’s patients available to LCHD upon request.

13.3. Equal Opportunity and Affirmative Action. The Grantee agrees by the execution of this Agreement that in regard to its operations, it will fully comply with Lake County Ordinances and Policies providing:

13.3.4. The provisions of all Federal Civil Rights laws and Indiana Civil Rights laws, as applicable, are incorporated by reference as part of this agreement.

13.3.5. Breach of any of the equal opportunity and/or nondiscrimination provisions of the Agreement may result in any remedy available to the County in respect to such breach or default.

13.3.6. Where applicable, non-discriminatory and affirmative action clauses shall be part of any agreement, contract, or lease between the Grantee and any organization, corporation, subcontractor, or other legal entity that benefits from the funds paid out by this Agreement.

13.4. Indiana Open Records Law. Information that is the property of LCHD shall be made available in accordance with the Indiana Open Records Law, LC. S-15-5.1-1 et seq. No rights or obligations shall survive from any prior agreement unless expressly restated herein.

15. GOVERNING LAW

15.1. Governing Law.

15.1.1. This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed per the laws of the State of Indiana without regard to the choice of law rules.

15.1.2. In the event of litigation between the parties regarding this Agreement, reasonable attorneys' fees of the prevailing Party will be paid by the non-prevailing Party.
