The Contractor shall implement and maintain procedures reasonably designed to verify the Indiana residency of each individual recipient prior to the provision of services. Acceptable documentation or methods of verification shall be determined in accordance with applicable state or program-specific guidelines. Failure to comply with this residency requirement may result in disallowance of expenditures, corrective action, or termination of this Contract.

12. DISPUTE RESOLUTION

12.1. Should any disputes arise regarding this Contract, the Grantee and the LCHD agree to act immediately to resolve them. Time is of the essence in dispute resolution.

13.2. Indemnification. Grantee shall indemnify, defend, and hold harmless LCHD and its agents, Board members, officers, and employees from and against all claims, losses, costs, damages, and expenses (including reasonable attorneys' fees) relating to injury or death of any person which results from or arises in connection with (1) any breach of the Agreement; or (2) any gross negligence or willful act or omission by any Consultant in performing the Services. LCHD shall indemnify, defend, and hold harmless Grantee and its agents, managers, members, officers, and employees from and against all claims, losses, costs, damages, and expenses (including reasonable attorneys' fees) which result from or arises in connection with (1) any breach of the Agreement by Client; or (2) any negligent or willful act or omission by LCHD's personnel. This Section shall survive the termination or expiration of this Agreement. In any case, LCHD acknowledges that Grantee's indemnification obligation may be limited in substance by laws designed to protect and limit the exposure and liability of Grantee as an instrumentality of the State of Indiana (e.g., actions and conditions as to which Grantee is immunized by the Indiana Tort Claims Act, dollar limits stated in such Act, exemption from punitive damages, and the continued ability to defeat a claim by reason of contributory negligence for fault of the claimant), so that Grantee's liability to indemnify, protect, and/or hold harmless may not exceed what might have been its liability to claimant if sued directly by claimant in Indiana, and all appropriate defenses had been raised by Grantee.

13.3. Representations and Warranties. The parties represent and warrant to one another that they have full corporate power and authority to enter into this Agreement and to carry out their obligations hereunder, and this Agreement has been duly authorized by all necessary action on their part. THE FOREGOING WARRANTIES AND OTHERS PROVIDED IN THIS AGREEMENT BY EACH PARTY ARE IN LIEU OF ALL

OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THIS AGREEMENT.

13.4. Limitation of Liability. TO THE EXTENT ALLOWED BY APPLICABLE LAW, IN NO EVENT SHALL THE LIABILITY OF EITHER PARTY TO THE OTHER FOR A GIVEN YEAR DURING THE TERM OF THIS AGREEMENT ON ALL CLAIMS OF ANY KIND, WHETHER IN CONTRACT, WARRANTY, INDEMNITY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR OTHERWISE, ARISING OUT OF THE PERFORMANCE, NON-PERFORMANCE OR BREACH OF THIS AGREEMENT EXCEED THE TOTAL COMPENSATION RECEIVED OR PAID, AS APPLICABLE, FOR SUCH YEAR. FURTHERMORE, TO THE EXTENT ALLOWED BY APPLICABLE AND EXCEPT FOR THIRD-PARTY CLAIMS, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, PUNITIVE, CONSEQUENTIAL, OR SIMILAR DAMAGES.

14. COMPLIANCE AND LEGAL REQUIREMENTS

14.1. Compliance. Grantees shall always operate their respective services in compliance with applicable federal, state, and local laws, rules, and regulations, the policies, rules, and professional standards of care, bylaws, and all currently accepted and approved methods and practices of each service area. HIPAA Compliance. If within thirty (30) days of either party first providing notice to the other of the need to amend the Agreement to comply with Laws, the parties, acting in good faith, are (i) unable to mutually agree upon and make amendments or alterations to this Agreement to meet the requirements in question, or (ii) alternatively, the parties determine in good faith that amendments or alterations to meet the requirements are not feasible, then either party may terminate this Agreement upon thirty (30) days prior written notice.

14.2. Records. LCHD shall keep and maintain any records relating to the services of this Agreement rendered hereunder as may be required by any federal, state, or local law. Grantee agrees to make its records concerning any of LCHD's patients available to LCHD upon request.

14.3. Equal Opportunity and Affirmative Action. The Grantee agrees by the execution of this Agreement that in regard to its operations, it will fully comply with Lake County Ordinances and Policies providing:

14.3.3. The provisions of the Affirmative Action Program adopted by the Board of Commissioners of the County of Lake on May 31, 1977, and as amended, as applicable, are incorporated by reference as part of this agreement.

14.3.4. The provisions of all Federal Civil Rights laws and Indiana Civil Rights laws, as applicable, are incorporated by reference as part of this agreement.

14.3.5. Breach of any of the equal opportunity and/or nondiscrimination provisions of the Agreement may result in any remedy available to the County in respect to such breach or default.

14.3.6. Where applicable, non-discriminatory and affirmative action clauses shall be part of any agreement, contract, or lease between the Grantee and any organization, corporation, subcontractor, or other legal entity that benefits from the funds paid out by this Agreement.

14.4. Indiana Open Records Law. Information that is the property of LCHD shall be made available in accordance with the Indiana Open Records Law, LC. S-15-5.1-1 et seq. Grantee and LCHD recognize and acknowledge that in some course of performing the services provided hereunder, it may have access to certain confidential or proprietary information and the LCHD's business and computer operations. This Agreement constitutes the sole and entire agreement between the Parties with respect to the subject matter described herein and terminates, cancels, and supersedes any and all prior or existing agreements, contracts, memoranda of understanding, or other arrangements between the Parties related to the same program, project, or services funded under this Agreement. No rights or obligations shall survive from any prior agreement unless expressly restated herein.

16. GOVERNING LAW

16.1. Governing Law.

16.1.1. This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed per the laws of the State of Indiana without regard to the choice of law rules.

16.1.2. In the event of litigation between the parties regarding this Agreement, reasonable attorneys' fees of the prevailing Party will be paid by the non-prevailing Party.

16.2. Severability. If any provision of the Agreement is found to be illegal, invalid or unenforceable pursuant to judicial decree or decision, the remainder of the Agreement shall remain valid and enforceable according to its terms so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any party. Upon such decree or decision, the parties shall negotiate in good faith to modify this Agreement to affect the parties' original intent as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are consummated to the fullest extent possible.
