The Contractor shall implement and maintain procedures reasonably designed to verify the Indiana residency of each individual recipient prior to the provision of services. Acceptable documentation or methods of verification shall be determined in accordance with applicable state or program-specific guidelines. Failure to comply with this residency requirement may result in disallowance of expenditures, corrective action, or termination of this Contract.

If the parties accept the Commissioner's decision, it may be memorialized as a written Amendment to this Contract if appropriate.
- 12.4. LCHD may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the LCHD to the Grantee of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for the Grantee to terminate this Contract, and the Grantee may bring suit to collect these amounts without following the disputes procedure contained herein.
- 12.5. With the written approval of the Commissioner of the Indiana Department of Administration, the parties may agree to forego the process described in subdivision C. relating to the submission of the dispute to the Commissioner.
