PUBLIC QUESTION

Vote For One (1) Only

Shall Lake Central School Corporation increase property taxes paid to the School Corporation for no more than eight (8) years for the purpose of sustaining educational and operational funding stability in response to reductions in property tax revenue, including recruiting and retaining teachers and staff, supporting essential student health and safety initiatives, and maintaining class sizes, academic programs, and opportunities to meet the learning needs of all students, by imposing a property tax rate that does not exceed \$0.2614 and results in a maximum annual amount that does not exceed \$17,772,033? If this operating referendum public question is approved by the voters, for a median residence of \$350,000, the property's annual property tax bill would increase by \$474 per year. The most recent operating referendum public question proposed by the school corporation was held in 2018 and passed.
