

NEW TUESDAY NIGHT DROPOFF LOCATION AT LAKE COUNTY GOVERNMENT CENTER

Due to exterior construction and elevator issues, anyone dropping their equipment off at the Lake County Government Center should:

- Park on the south side of the building.
- Enter by Door S1.

Once inside, follow the signs to your first drop off station. To expedite check in, be sure you have these items ready:

- Envelope #1 with zero proof tape, start card, vote cards, and tally tapes inside.
- Plastic bag with red tally cards inside.
- Boxed poll pad and, if you had one, a jet pack/cradle point.
- Pay claims.
