A person who receives a completed state or federal voter registration application from an applicant must file the application with the Election Division or the county voter registration office not later than noon (prevailing local time) ten (10) days from the date of receipt, or the voter registration deadline, whichever is sooner. This deadline to file the registration application begins on the date that the person who initially received a completed voter registration application from the applicant received it, even if the registration application was passed on to another individual to file.
